

Hello fellow GS leaders,

My name is Jenica Erbes Spoor. I am a co-leader of a Cadette Troop 55057 within the Eagan Service Unit. The families of my troop and I will be taking our girls on a wonderful trip to Boston and New York in August 2019 for 6 days. We are partnering with the EF touring company to make this trip possible.

We know that 2019 seems like a long time from now, but having it planned out in advance allows us to do various fundraising activities (decreasing the amount of out of pocket expense) and allows us to make smaller monthly payments.

Our goal is to keep this trip as a private GS tour. In order for it stay private for GS we need a minimum of 35 travelers (adults and students). This could be a whole or partial troop activity or for individual families within GS as well. For prices please see the attached sheets. But please note the prices might increase a little bit come May - I do not believe it will increase by much, but nonetheless, there may be a change.

Most of the information you need is provided in the attachments. I am happy to talk with you more about this trip to help determine if this trip is right for you and your troop or you can call Devon from EF directly (information on attachments).

Please reach out if you have questions and consider providing an amazing GS trip experience for your girls.

Jenica
