

3rd Yr. Cadette Troop #54127 would like to invite you to a

Brownie Journey Workshop

November 18th, 2017

12:30pm to 4:30pm

Eastern Heights Lutheran Church

2037 5th St E, Saint Paul

Corner of Ruth Avenue and Margaret (Church basement)

This is a great opportunity for your Brownie Troop or Individual Brownie to work on and earn their:

WOW Wonders of Water...It's Your Planet-Love it!

On this Journey, girls will explore the wonders of water by discovering the importance of water and how it is used around the world. The Wonders of Water Journey focuses on the planet, specifically relating to water. During the Journey, girls embark on a four part story. Girls will learn about the water cycle, explore the importance of wetlands, learn about different creatures in the ocean, and understand the power of water. Throughout the story there are several breaks to allow the girls a chance to reflect and brainstorm ways they can save water and also learn leadership skills. The girls will follow along as we cover the *Wonders of Water* Journey.

When they have completed this workshop, they will be ready to work with their troop on their
Take Action Project!

The girls will also get a nutritious snack and beverage following their activities while they visit with their fellow Girl Scouts and older girl mentors.

The cost for the day is \$15.00 per girl and includes all craft supplies, take home activities, certificate of completion and snacks. Girls may also order the Journey Patch set for \$5.00. Please note on order form if you would like patch sets below. Parents, Troop Leader or Troop Co-Leaders are welcome to attend but it is not necessary. We will have plenty of adult volunteers if you wish to drop off your Brownie for the event. Because of the popularity of these workshop we will be limiting the number of girls attending. Please register early to ensure your place at the event!

Cadette Troop #54127 is putting together this Patch Workshop as a Fundraiser for their Silver Award as well as a Florida trip they are taking the summer of 2018 as a reward for completing their Silver Award! They will also have the opportunity to work on their mentoring skills during the event and work on their LIA Award, and their Caddie Training Patch.

They are very excited to offer this event to their fellow Brownie's and can't wait to see you all there!

All stations will be run by 3rd year Cadettes with Adult Volunteers overseeing all activities.
