

Welcome to the Woodbury Service Unit Girl Scout Hiking Club!

We are excited to offer these awesome patches to commemorate your hiking accomplishments! This program is on your honor and free for all Girl Scouts in the Woodbury Service Unit! Any Girl Scouts outside of the Woodbury Girl Scout Service Unit are welcome to join but would need to pay for the cost of the patches.

After reporting your first 5 miles, you will receive the Miles Hiked patch and the Five mile rocker. There are rockers for 10, 20, 30, 40, and so on until 100 total miles hiked!

Record your miles on the form below. Make sure to include the date and location and have an adult sign.

Email a photo of your completed form to GirlScoutsWoodbury@gmail.com with the subject line 'Hiking Club'. Patches will be ordered quarterly with the first round being ordered on Aug 1st. Please submit your form by July 30th. We will contact you when the patches are in. Fall hiking is wonderful as well! The next round of patches will be ordered on Nov. 15th.

There are many wonderful trails and paths near us! Here are some resources:
-Woodbury Parks and Rec: https://www.woodburymn.gov/departments/parks_and_trails/index.php

-So Washington County Parks Maps:
<https://www.co.washington.mn.us/3022/Park-Trail-Maps>

-Afton State Park Map:
https://files.dnr.state.mn.us/maps/state_parks/spk00100_summer.pdf

-MN State Park Hiking Club:
This program has a hike in every state park! They range from 1 mile to about 6 miles. The program has its own patch incentives as well. There is a cost for this program.
