

Service Unit Service Project

Where: Lutheran Church of Peace

Date: February 25, 2018 **Time:** 1pm to 4pm

Camp Noah helps children that have been affected by hurricanes, fires and other devastating life events. One way they do this is by giving each child a fleece blanket. The Woodbury Service Unit is inviting Girl Scout Troops to create these blankets.

Each blanket should have a top and bottom piece of fleece that is two yards each. Each troop should bring enough fleece to complete 2 blankets. Woodbury Service Unit will also be providing additional fleece for any troop that completes their blankets and wants to continue tying blankets. Please bring sharp scissors if possible

Lutheran Church of Peace is located at 47 South Maplewood, MN near the SA on Lower Afton.

Please register below and mail to Jane Schrupp 289 Curtice Street E, St. Paul, MN 55107. This will help with order patches as well as having snacks and drinks to have available for everyone. .
